TME/RP/APM
Weekly TAG Call
April 23rd, 2014

I. TME and RP files due next Thursday, May 1st.

   a. Deadline corresponds to the end of the day (5 PM) on May 1st.

   b. For TME, payers will submit 2 files: Final 2012 TME and Preliminary 2013 TME.

      i. IBNR factors and separate signed verification form are due within 10 days of the submission deadline (i.e., May 10th).

      ii. Note that the submitted data should already take into account the IBNR factors, and the IBNR factors on their own should be reported separately in the excel spreadsheet previously provided.

   c. For RP, payers will submit 3 files: 2013 Hospital (HOS), 2012 Physician Group (PG), and 2013 Other Provider (OP) RP.

   d. INET test and production environments are now fully operable for TME and RP.

II. APM files due May 15th

   a. One file for CY2013 will be submitted through INET.

III. Test files for TME, RP, and APM may be submitted now.

IV. TME and RP production files may be submitted now.

V. APM production files cannot be submitted until the end of the week (?)

   a. APM production environment for APM should be up and running by the end of this week. We will send an e-mail announcement once this is ready.
